

# KEYNOTE SPEAKER & EDUCATOR

As a social media architect and entrepreneur for over a decade, I've helped business owners and their teams think differently about their online marketing tactics. Since January of 2021 over 5,000 people have attended virtual gatherings where I've shared my social media insights.

## POPULAR TOPICS INCLUDE:

- Thoughtful Thought Leadership
- Leveraging LinkedIn the RIGHT way
- Social Media Selling (without spending a cent on ads)
- Why saying NO could make you a better marketer
- Toolziety: Cleansing our reliance on platforms to allow space for creativity
- A Simple Social Media Strategy customized for any industry

**10+**

years of

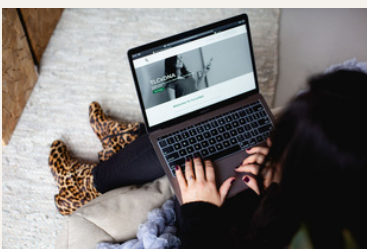

digital marketing & business  
experience

I have a true passion for empowering and connecting with others virtually. My role as an igniter of creative ideas has led me to speak at local and international events.

Seeking a speaker for an event, conference or to educate your team on the latest social media trends?
